# Student Spotlight

## MEET NEVEAH, COSMETOLOGY STUDENT

### TELL US ABOUT YOURSELF & WHY YOU LOVE COSMETOLOGY!

I'm Neveah! I love Cosmetology because I get to constantly make people feel good and if they don't already, give them a new perspective on themselves. It's a feeling that never gets old and never fails to make me feel good.

### WHY DID YOU CHOOSE TSPA HOLLAND?

I felt it was the best fit for me to grow, and I know a few of their graduates.

### WHAT ADVICE DO YOU HAVE FOR THOSE INTERESTED IN PURSUING COSMETOLOGY?

It's not the easy way out; a lot of people do it just because they don't want to go to college. It is HARD WORK! But, if you have the passion for the profession and do your hardest, you will have success.

### WHAT ARE YOUR GOALS AFTER GRADUATION?

To own my own salon, continue to learn new techniques after I graduate, and never stop making people feel good after leaving my chair.
