MEET NICHOLE, GUEST SERVICES

My name is Nichole and I joined the TSPA family a little over a year ago. Guest services is something I've been passionate about for almost 10 years now! It's been a privilege to witness the professionalism as well as personal growth in each of our students. The smiles and conversations I get to share with all of you are enough to keep me coming back for more! In my free time I love spending time with my family and two doggos.
